

ETHAN BAKER

Columbus, OH (summers) & Tampa, FL | ekbaker58@gmail.com | [linkedin.com/in/ethanbaker585](https://www.linkedin.com/in/ethanbaker585)

EDUCATION

University of South Florida, Tampa, FL

Expected May 2029

Bachelor of Science in Industrial Engineering | **GPA: 4.0/4.0** | Dean's List

Relevant Coursework: Probability & Statistics with Calculus, Economical Analysis of Systems, Introduction to Linear Systems, Intro to Design Graphics (AutoCAD), General Physics I & II, Calculus III (Columbus State CC)

Study Abroad: Accepted to USF engineering program in Germany (Spring Break 2027)

ENGINEERING & LEADERSHIP EXPERIENCE

USF Bulls Racing – Formula SAE, Tampa, FL

Fall 2025 – Present

Driver Interface Sub-Team Member

- Designing the F27 car's steering system, including U-joint and bearing selection and a redesigned column stabilizer, to bring steering torque below the 16 N-m measured on F26 and fix steering compliance flagged in driver testing
- Fabricated carbon fiber pedal faces and installed and adjusted components on the F26 car, which placed 19th of 111 teams overall at Formula SAE Michigan 2026
- Performed pedal box removal, reinstallation, and driver-fit adjustments for the 5-member sub-team

syp (Hydration-Tech Startup), Tampa, FL

Spring 2026 – Present

Engineering Consultant

- Conceived syp's RFID athlete-tracking system, pairing player wristbands with an antenna in the bottle so each drink is attributed to the right athlete and updated live on the coach dashboard
- Drafted the design drawings for syp's multi-size variant, which the team then modeled in CAD
- Pitched syp on stage to judges at e-Fest (Schulze Entrepreneurship Challenge) as 1 of 25 finalist teams from nearly 170 ventures; won 2nd place, Brand Builder Award
- Helped prepare the application that made syp 1 of 20 U.S. finalists from 39,000+ global applicants at Alibaba.com's CoCreate Pitch 2026, earning a \$10,000 finalist award

Institute of Industrial & Systems Engineers (IISE) – USF Chapter, Tampa, FL

Summer 2026 – Present

Corporate Outreach Director (Elected)

- Helped run outreach to 7 companies for career panels, day-in-the-life sessions, resume reviews, and mock interviews
- Managing the chapter's October 2026 Six Sigma certification event and planning its Spring 2027 career fair

PROJECTS

Combat Robot – National Robotics Challenge, Marion, OH

2025

- Co-designed and built a 3-lb beetleweight horizontal-spinner robot with a partner, repairing battle damage between matches; went 4–1 and placed 8th overall

Robotics Competition – Columbus Academy, Gahanna, OH

- Led a 3-person team and drove our tube-collecting robot to 1st place out of 13 teams

PillScan – AI Medication Scanner (Personal Project)

In Progress

- Designing a countertop AI device that identifies pills by camera and reads out name, dosage, and timing for elderly users
- Coded prototype software for on-device pill identification (Raspberry Pi 5, Sony IMX500 AI camera, MobileNetV2) and drafted the business plan; hardware build is next

WORK EXPERIENCE

The Golf Club, New Albany, OH

Apr 2024 – Apr 2026

Caddie

- Guided members and guests on course strategy at a private club ranked #46 in the U.S. by Golf Digest

Columbus Country Club, Columbus, OH

Apr 2025 – Apr 2026

Golf Operations Associate

- Supported daily golf operations, including pro shop, member services, and course operations

SKILLS & CERTIFICATIONS

Technical: AutoCAD (2D/3D drafting, floor plans), Fusion 360, carbon fiber part fabrication, mechanical assembly, Java (introductory), Google Workspace, Adobe Creative Suite

Certifications & Languages: Six Sigma Green Belt (in progress, expected October 2026) | Spanish (conversational)
